Supporting St Mary's Hospice

About St Mary's Hospice

St Mary's vision is that everyone affected by advancing illness and death will be cared for with kindness and have the support and expert care they choose.

It costs £3.5 million each year to provide our services free of charge across South Cumbria. With just 17% of our funding coming from the NHS we rely on the support of our wonderful community so that we can keep making a difference when it matters most.

Summer time Fundraising Fun for St Mary's!

Can you believe it's the summer term already? We hope that the year has gone smoothly for you and that everyone is enjoying the warmer weather and a bit more freedom to see friends and family.

The final weeks before the summer holidays can be a busy time, but we hope you can make room in your plans to get involved in some fundraising FUN for St Mary's Hospice.

The schools' page on our website is the perfect place to find inspiration and resources – perhaps you could have a 'sunflower day' or a sponsored walk and raise funds for your school and your hospice at the same time. For more ideas visit:

Our dedicated area fundraisers Becky and Clare would love to hear about your plans!

Have fun!

What have our young fundraisers been up to recently?

Crooklands Casuals U9's (pictured pre-Covid) ran 1km a Day in March in order to get active and raise money to support St Mary's Hospice. They raised an amazing £1405.00 – well done team!

Tyler, Lorcan, Saoirse and Harley Williamson REALLY wanted a puppy, but their dad Adam said they had to prove they would walk a dog regularly – and so the Hoad 100 challenge was born! Inspired by Sir Tom, the family walked up Hoad every day for 100 hundred days and raised £3,228.00. An incredible achievement.

William and his little sister came up with the brilliant idea of providing sheep food on the Abbots Wood Trail in February Half Term and the Easter Holidays – they raised over £700.00. Fantastic.

April from Bootle's cake sale sold out in under an hour! People came from all over her village and queued for some of her sweet treats, which raised an amazing £300.00. She has plans for a lemonade stall when the weather is warmer – well done April!

WELL DONE AND THANK YOU ALL.
