

**St Mary's Hospice is
a charity.**

Hospice Facts

St Mary's Hospice's team of staff and volunteers help with end of life care, symptom management, Living Well services, respite care and family and bereavement support.

St Mary's Hospice is for people with advanced illnesses, no matter their age, culture, beliefs, or cause of illness.

Hospice care can happen anywhere: hospice care comes to the patient in the place they prefer to be for end-of-life care, either at home or the hospice in Ulverston

**BATTLE
TO SUCCEED**

**Hospice care
supports the whole
family.**

Hospice Facts

**St Mary's services are
free of charge to our
community but they are
not free to provide.**

**It costs over £4.7m a
year to keep St Mary's
Hospice open and
services running.**

**22% of our funding from
the NHS the rest comes
directly from our
wonderful community**

**8 out of 10 patients'
care will be funded via
voluntary income.**

**St Mary's
Hospice is one of
over 200 hospices
across the UK**

Hospice Facts

**St Mary's Hospice
services cover across
the South Lakes, Furness
and Millom areas.**

**Since 1988 St Mary's
Hospice has been open
to patients and their
loved ones**

**The hospice only receives around
a fifth of the funding it needs
from Government, with the rest
— £2.6m each year — being raised
by donations from individuals and
businesses in the local area.**
